> A Large Attendance—Interesting Program-Good Music.

The Institute held at Ridgeville Corners, on the 9th and 10th insts., under the auspices of the Farmers' Institute Society of Henry county, was in every way a most decided success. The convention had been well advertised but some of our pessimistic friends were of the opinion that it would not be well attended because of its remoteness from railroad lines, but about 10 o'clock on Wednesday OFFICE in Leists's Drug Store,

Thursday.

SENATE—The income tax feature of the urgency deficiency bill was discussed in the senate. Amendments were offered: One by Mr. Hill, to test its constitutionality, and notice of several by Mr. Quay, inserting provisions of the McKinley bill.

House—District of Columbia appropriation bill passed. Several bills relating to steamship matters were passed and 10 private pension bills.

Senate-Proctically the whole day was spent in discussing Mr. Hill's amendment to the urgent deficiency bill, designed to afford an oppertunity to test the constitutionality of the income tax law. Mr. Hill delivered a carefully prepared speech, followed by Senators Dubois, Quay and Mitchell.

House-Private bill day. Nine bills of minor importance were passed with unanimous consent. The night session was devoted to private pension bills, two of which were passed.

Morday.

Senate—Stirring interest was given to the senate proceedings by the speeches of Senator Gorman and Senator Hill on various phases of the tariff and financial situation. Mr. Gorman spoke for two hours on the inefficiency of the tariff bill and condemed the position of Senator Hill, which brought back a sarcastic personal roply from the angry New Yorker.

House—Fillbustering tactics again defeated the Grout oleomargarine bill. The remainder of the day was consumed with business reported from the judiciary committee. But one bill, however, was passed—that providing for additional judicial facilities for the Indian Territory, the affairs in that country being a fruitful theme for discussion during the consideration of the bill.
